

Premium Replacement Toner Cartridges with Bio-Based Content

# AgriTone™

**BIOBLACK™**  
TRUE BLACK FOR A GREENER PLANET

## Increases Energy Independence...

*By Alleviating the Need for Petroleum Products*

## Spurs Economic Development...

*By Increasing Demand for Existing Agricultural Products*

## Improves the Environment...

*By Reusing Existing Cores and Promoting the Use of Bio-based Resources*

## Supports Local Agriculture...

*By Following Recommendations Promoted by the USDA and the 2008 Farm Bill*

*Who knew you could do so much good by switching your toner cartridge?*
